MEMORANDUM

From: Commander, Naval Sea Systems Command
To: Deputy Commander for Contracts (SEA 02)

Subj: DELEGATION OF AUTHORITY TO DETERMINE THAT SUPPLIES OR SERVICES ARE TO BE USED TO FACILITATE DEFENSE AGAINST OR RECOVERY FROM TERRORISM OR NUCLEAR, BIOLOGICAL, CHEMICAL OR RADIOLOGICAL ATTACK

Ref: (a) Federal Acquisition Circular (FAC) Number 2001-09 of 30 Aug 02
(b) FAC Number 2001-12 of 27 Jan 03
(c) DASN(ACQ) memo of 7 Apr 03
(d) DPAP(DAR) memo, DAR Tracking Number: 2003-00002 of 18 Apr 03, subj: Class Deviation-Federal Acquisition Regulation (FAR) Concerning Implementation of the Homeland Security Act Provisions Relating to Procurements for Defense Against or Recovery from Terrorism or Nuclear, Biological, Chemical or Radiological Attack

1. Reference (a) revised the Federal Acquisition Regulation (FAR) to implement Section 836 of the FY 2002 National Defense Authorization Act (Public Law 107-107) where those procurements are to facilitate the defense against terrorism or biological or chemical attack against the United States. Reference (b) revised the FAR to implement Sections 852 through 856 and Section 858 of the Homeland Security Act (Public Law 107-296). Those sections increase the amount of the micro-purchase threshold and the simplified acquisition threshold for procurements and provide streamlined procedures for acquisition of supplies or services for the defense against or recovery from terrorism or nuclear, biological, chemical, or radiological attack including the treatment of such procurements as if the acquisitions were for commercial items. The authority expires on 30 Sep 2003 for Public Law 107-107 and on 24 Nov 2003 for Public Law 107-296.

2. As authorized by references (c) and (d), you are hereby delegated the authority to determine that supplies or services

Enclosure (1)

Subj: DELEGATION OF AUTHORITY TO DETERMINE THAT SUPPLIES OR SERVICES ARE TO BE USED TO FACILITATE DEFENSE AGAINST OR RECOVERY FROM TERRORISM OR NUCLEAR, BIOLOGICAL, CHEMICAL OR RADIOLOGICAL ATTACK

are to be used to facilitate defense against or recovery from terrorism or nuclear, biological, chemical or radiological attack under Sections 852 through 856 and Section 858 of the Homeland Security Act (Public Law 107-296) and Section 836 of the FY 2002 National Defense Authorization Act (Public Law 107-107). This authority may be redelegated to any SES in NAVSEA 02 and to a level no lower than the Chief of the Contracting Office at subordinate field procurement offices.
